In reply to your letter No L 543/C M 30-55-20 dated 11-4-1956 calling for the rules governing grants-in-aid institutions and conditions of grants etc , I write to state that the Corporation has not framed rules to govern the working of such institutions, as already intimated to you in this office letter of even number dated 24-10-1955 All applications received for grants will be sent to the officers concerned for investigation and after their reports are received they will be considered by the Standing Committee (Taxation and Finance) and finally they go to the Corporation for sanction The Standing Committee (Taxation and Finance) also visit such institutions if found necessary, before a decision is arrived for sanctioning a grant Institutions receiving grants from the Corporation will be visited periodically by the officers of the Corporation and also by the members of the Standing Committee (Taxation and Finance) to see if the grants given are properly utilised A strict vigilance is thus maintained by the Corporation on the working of the grants-in-aid institutions

A list of institutions for which monthly and yearly grants are sanctioned by the Corporation and approved by Government for the year 1956-57 is enclosed, as desired in your letter under reference

Yours faithfully,
